Weddings at Lazy Acres

Weddings at Lazy Acres

We have been creating special memories and traditions for families since 1980. Located on 200 acres of beautiful rolling hills, our unique rustic charm and country elegance provides the perfect setting for your special day. We have several wedding sites around the farm from which to choose. Whether you are looking for a vintage cypress barn as your backdrop, a wide open field, or our wedding pavilion adjacent to Plantation Hall, we have the perfect site for you to exchange your vows.

Plantation Hall, our 5,500 square foot banquet facility, includes a separate bridal dressing area and full-kitchen for catering. If you are looking for outdoor entertainment spaces, adjacent to Plantation Hall we have a large deck and pavilion that provide an additional 4,000 square feet of entertainment space. The combination of these three facilities allows a multitude of decorating/setup options for large or small weddings.

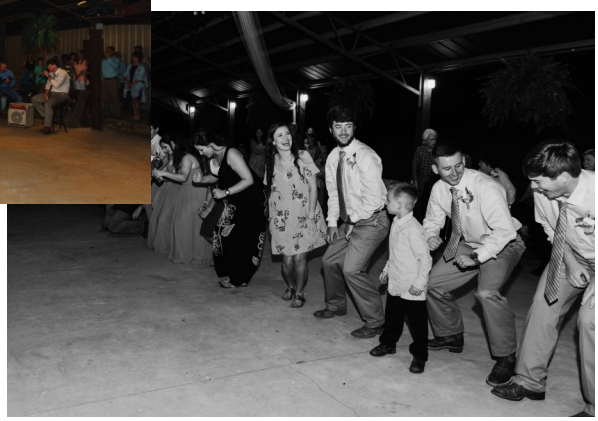
The Farmer's Daughter Package

On May 13, 2017 our daughter, Mikayla, was married at Lazy Acres. It was a dream come true and now we would like to share this experience with you. The Farmer's Daughter package is for the bride who dreams of something "a little different" from everyone else.

As your guests arrive they are given a short wagon ride to your secluded wedding cove in the woods. Special memorabilia and photographs of you and your groom are placed along a wooded trail that leads to your wedding pergola. Following a late afternoon ceremony, you and your wedding party will be able to capture beautiful wedding photos in a scenic open field overlooking the farm.

Once your dream ceremony is complete, return to Plantation Hall for a delicious meal prepared for 150 of your family and friends provided by our in-house catering staff. The entire banquet area is decorated in rustic elegance including up-lit trees hand harvested by farmer Michael from our property.

After dinner, enjoy your first dance as a happy couple beneath a beautiful chandelier at the Pavilion. You'll cherish these special moments for-ever. This is YOUR time for dancing and having fun!



Then comes the final dance of the evening as your groom patiently awaits behind the curtain.

Suddenly, the music fades and he comes to whisk you away for a lifetime of happiness.

And of course, Cinderella's story would not be complete without a fireworks finale!

The Farmer's Daughter package includes decorating for Plantation Hall, the Pavilion, and our exclusive wedding cove site (bride and groom must provide décor for the wooded trail). Lazy Acres also provides wagon transportation to and from the wedding site. Package includes seating and catering for 150 guests and the fireworks finale. Let's face it, weddings are stressful. Select this dream package and leave the details, decorating, and the clean up to us while you relax and enjoy making cherished memories.

Farmer's Daughter Package price: $9,800 (Includes 7% MS sales tax)
